Editor...Alice Nadeau

The Rice County Genealogical Society announces a new beginning. Our newsletter is back on track. We will be sending out an issue on a more regular basis, Fall.. Winter. Spring.. and Summer. The actual Months may change as we progress, but for now, it will be November.. February.. May.. August??. We haven't been meeting in the summer and your Editor does not usually work that month, so I may be off finding more ancestors. Be patient till September if that's the way it goes.

I have made up quite an extensive mailing list for this issue. All nonmembers and guests will get 2 issues free, after that we will drop you from our mailing lists. We do hope you will join our group. Memberships are only \$7.00 per year, and \$ 9.00 for a family membership. As usual we will exchange newsletters with all other groups that send us theirs. We do appreciate getting those newsletters.

I do hope our members take advantage of those other newsletters in our library, they are a great source of information. You never know what you'll find in them. In the last batch I brought home to read, I found 4 items of direct interest to myself and or other members of our group. Either Surnames of interest or Address where we can write for more information.

We welcome your queries ... We have quite a backlog to get into this issue.. but will always have room to publish all we get.

Also I will appreciate all the help I can get with this newsletter. I'm a novice at this, there will be mistakes. I won't need your help in finding them though. But I will need help in finding ideas for articles and better ways to do things. Let me have your suggestions. And if you want me to publish an article you can't wait to see in print I will be very happy to make your dreams come true.

I hope to see many of you at the Christmas Party at the Museum in Faribault. Bonnie McDonough, the Director there, told me she was making us Lefse. I'm thinking about making TeuTaire. We welcome all our past members to join us for an evening of fellowship and conviviality. And if you need a ride you can call Betty Jane Goold in Northfield at 645-6738, and see if there is room in her car or set you up with somebody close to you or in Faribault, you can call me at 332-8175. Best time to call me is at suppertime. I'm never home, but there is an answering machine and I'll get back to you.

Your Editor,

Announcement

We are Trying again to get our surname file in place at the Rice County Historical Museum and maybe at the Northfield Museum. We need a 3x5 card with a surname at the top lefthand corner and your name and address below. One card for each surname you are researching in Rice County or the adjacent counties. We will keep these at the museums so that strangers coming in to do research can find you, and also when they fill in a card for their surnames we can find them. We all have heard the one about the person who was in last week asking all kinds of questions about the 'Jones' and nobody knows who they are or where they came from. So if you want your surnames of interest on file, send us those cards. If you want them on file at both places, send us 2 sets.

Editors note: I received only the 2nd of Mr.Phelps letters,apparently there was a previous letter with more information.If Mr.Phelps would write us again with more information,we can check more for him.

Seeking information concerning Edward J.STRATTON or STRATING,mustered out of CO.B, 12th Minn.on Nov 5,1898.Listed here as resident of Faribault. He joined the 12th Minn in Georgia.How did he get a Faribault address?Does he show up in census here in 1900or 1910?

Reply to William Strating 126 East 39th Street,Holland MI 49423

Editors note: You can get the census into your own home library on inter library loan for a very nominal fee.The city of Faribault was quite large in 1900 and will take quite a while to check.Also there is a Faribault County in Minnesota and you might also want to check that out too.

I have several other Queries waiting to be published but I have run out of room,but our members are checking them out and we will publish more next time.
